You are not wrong. Not one bit. This guy @JoeBiden is being used. He's too demented to know it. His wife is being used too she knows but can't do anything about it. She's on the hook too. #SomethingAboutBiden

Kirstie Alley @kirstiealley

"I want a president who doesn't have dementia".... not too much to ask, so let's SEE A DEBATE. I personally think nominating a man clearly suffering from some degree of dementia is terribly weird abusive & sad, but since they have, LET's SEE A DEBATE. If I'm wrong I'll repent

Qanon is not violent or conspiracy. We are every day people seeking truth. I am a family man. I am educated, and run my own business. I work hard, and spend my spare time with my family. I enjoy golf 🏌️ and reading. Qanon's, share and tell your story 🗣️🗣️🗣️

Honestly I ask myself about this Q thing and look for a reason not to trust anything about it. I don't see Qsters in the street breaking into buildings claiming real estate pulling down statues or beating up people in the name of some form of justice or retribution BS.

We all know [@SidneyPowell1](#) caught you and your team hiding evidence from the Court, just like she did in the ENRON case.

This time you're not walking away whistling a merry tune from all the gross prosecutorial misconduct.

You'll be lucky to all only be disbarred.

You know Van Grack got caught by Barr & Jensen hiding exculpatory evidence from the Court and the Flynn defense team, right?

In direct defiance of an explicit Brady disclosure ruling, right?

You know that's why the DOJ filed to dismiss the Flynn case, right?

Of course you do.

I was told today that QAnons are dangerous people to be aligned with. That there is actually "no plan". True or not, most people seem pretty normal to me who support the idea of Q. I advocate for the Constitution and Bill of Rights. 🇺🇸 if Q does too-No harm no foul. #KAG2020

Jack Flynn #WeFightBack @GoJackFlynn
There is nothing wrong with QAnon. Just People doing their own research and learning independence of thought to find the truth. If it triggers the daylights out of fools like yourself all the better. 🤔 Don't you get it?? It's so simple~Yet complex. Like a meritage wine. [twitter.com/kylegriffin1/s...](#)
